

AIR MASK

The revolutionary BioFriend™ AirMask helps protect you and your family from the headaches, nausea and respiratory irritation caused by air pollution.

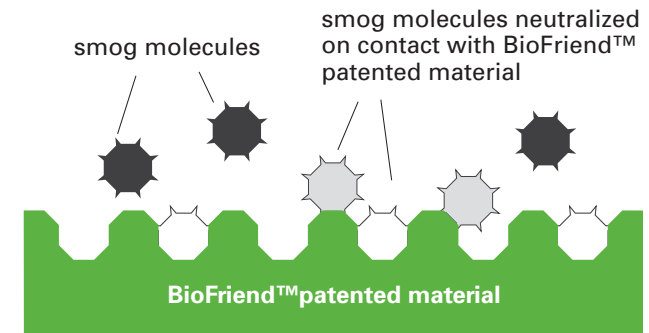

The BioFriend™ AirMask filters out dust, PLUS its innovative patented technology detects and neutralizes most of the harmful gases and fumes (NOx, SOx, polycyclic aromatic hydrocarbons) in polluted air:

- Filters out 98% of particles ≥ 0.1 microns

- Neutralizes smog at the molecular level
- Easy-breathing
- Reusable
- Comfortable during heavy exercise or physical exertion
- Adult and child size available

⚠ WARNING

Replace after 3 days of active use or when damaged or visibly soiled. Do not wash.
